

DIRECTIONAL

TRUE  
TWIN

**ENDEAVOR BOARD OF DIRECTORS** | £379

AVAILABLE SIZES: 154, 157, 159, 161

**THEY SAY:**

The BOD returns stronger than ever for it's sixth season in a row, our stiffest and most aggressive board is loaded with carbon stringers and a directional shape.

**WE SAY:**

On the longer side of all mountain boards and stands up well to fast and hard riding. "A true all mountain board, real smooth at speed, cuts through crud like a knife. Handles real well switch, the best board for cruising the mountain."

**ENDEAVOR HIGH5** | £329

AVAILABLE SIZES: 161, 155, 157, 159

**THEY SAY:**

The High5 series is fully loaded with a twin shape and carbon stringers to maintain a torsionally stiff ride while allowing the nose and tail to be soft to lock on to any jib.

**WE SAY:**

Mild flexing, but powerful enough to ride anywhere. "A surprise package! So nice to ride fast and hard but not too stiff. Nice to play around on at slower speeds. Can see this being a hit with everyone."

### ENDEAVOUR GUERRILLA | £249

AVAILABLE SIZES: 140, 145, 148, 151, 154, 152, 163, 163, 166, 165W, 165W

#### THEY SAY:

A freestyle ride with a directional shape, a medium flex and mellow sidecut, this board will destroy any terrain put in front of it.

#### WE SAY:

"This felt great for a low-priced board. I think I would ride it in any conditions, although I think it is best suited to piste jibbing and park riding."

### ENDEAVOUR LIVE | £315

AVAILABLE SIZES: 153, 166, 159, 162, 157W, 133W

#### THEY SAY:

Endeavor's top selling series of snowboards. It is designed for riders who push their boundaries all over the hill.

#### WE SAY:

"Very impressed with this board. Held its edge very well and good at carving. Edge transfer was rapid and it blasted through the crud with ease. Quite a soft flex, so fun to butter with."

### ENDEAVOUR DIAMOND | £299

AVAILABLE SIZES: 138, 142, 142, 152, 157

#### THEY SAY:

How do you make the award-winning Diamond better? Add more pop with the addition of carbon while maintaining a nice mellow flex and soft torsion for cruising the hill.

#### WE SAY:

"This board is perfect for any female who's ideal day is cruising around the mountain jibbing off rollers and spinning off wind lips. A progressive board that's bound to make you smile."

## ENDEAVOUR COLOUR | £279

AVAILABLE SIZES: 148, 151, 154, 157, 160

### THEY SAY:

This twin shape urban killer has a forgiving flex for maximum presses while the torsion has been increased with the addition of carbon X stringers.

### WE SAY:

"Really fun freestyle board. Soft jibby nose and tail with carbon between the bindings making it quite stable under foot. Ideal for an indoor rail rider but would suit a smaller person as an all rounder. Very impressive for the money."
