**TURN RADIUS**  
17m (179)

### [ IT'S GOOD... ]

An all-mountain gem that is super strong off the piste and on it. If you ski this one aggressively, you'll reap the rewards. Looks good, feels even better.

### [ HOWEVER... ]

Funnily enough, the weakest point was its prowess in the powder – but that is a slight blemish.

**VERDICT**  
**FANTASTIC**
