

R. M. M.
3/18

20 years. 2 decades. More than a million bindings manufactured. Still running. Still enjoying the brotherhood mode. Still producing in our very own factories. Europe. Worldwide. After 20 years in business it's time to say *dankeschön* to all our friends, supporters, riders and you. You inspire us to keep making awesome products, having fun and living the SP_way..

CENTROID

style, technical attitude and comfort. decisive and modular. black is back and built to last. the bombproof SP centroid features the latest stitched 3d asymmetrical anklepad technology. the more pressure you put into the pad - the stiffer the flex, supporting you through hard landings and harsh conditions.

stroma base :: jib highback :: alu heelcup :: 3c alu/fibre ratchets :: 3d stitched ankle strap :: Lwin toe strap :: adjustable ramps :: bolt guard :: basebuffer

Handwritten signature or text in the top right corner.

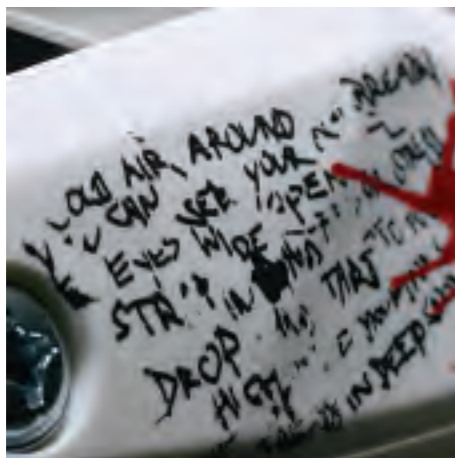

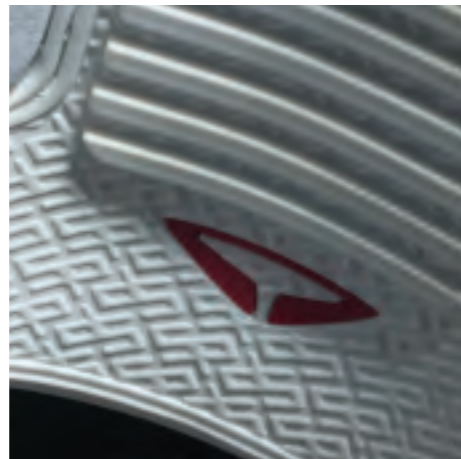

DANNY KASS

the first SP promodel binding. customized, adjusted, beaten and designed by today's loudest rider: "this binding has all the support you will ever need in the snow, built for strength and style". [danny kass]
[custom artwork by tim karpinski]

stroma base :: jib highback :: alu heelcup :: 3c alu/fibre ratchets :: 3d stitched ankle strap :: l.win toe strap :: adjustable ramps :: bolt guard :: basebuffer

Handwritten signature or mark in the bottom right corner.

ÄSTHETIKER

"the Ästhetiker. a crew that simply loves snowboarding and slashing powder. to live this dream, snowboarding, skating, surfing or moto x, is our highest objective. Ä stands for the anarchist sleeping in each of us, the aesthetic and the respect for all shredders. SP has always been a companion and friend of our crew. style, function and innovation have always been a major issue for both of us. so it seemed obvious to get together and create this binding.

[steve gruber]

stroma base :: jib highback :: alu heelcup :: 3c alu/fibre ratchets :: 3d stitched ankle strap :: t.win toe strap :: adjustable ramps :: bolt guard :: basebuffer

BROTHERHOOD

reloaded. remastered. finetuned. SP's tribute to our ever growing brotherhood. new asymetrical 3d ankle strap system and the latest t.win toe strap. and...huh...yeah - a special grenade™ edition featuring their original artwork and spirit.

stroma base :: spine2 highback :: alu heelcup :: 3c alu/fibre ratchets :: 3d stitched ankle strap :: t.win toe strap :: adjustable ramps :: bolt guard :: basebuffer

SP
Paris

PARRIS

function and glamour. more features and details than your average blondi-carry-on-dog. parris melts fashion and technique to form the new SP highend womens binding. new super padded stitched ankle straps create unlimited comfort and unreached supportive flex. new golden aloy 4 component ratchets, elliminating tooth strap wear. metal boltguards... you deserve more than just the bling.

stroma base :: spine2 highback :: alu heelcup :: 3c alu/fibre ratchets :: 3d stitched ankle strap :: t.win toe strap :: adjustable ramps :: bolt guard :: basebuffer

RATCHET / STARR

ratchet [boys] - held back for a whole year, the well proved ratchet is back with a new real 3d interface ankle strap. demand highend components for our version and meaning of a midrange weapon. 45% fiber injected zytel. bombproof.
 starr [girls] - girls' riding evolves faster than ever. tomorrow's female riders demand more than just neat colors and happy names. the SP starr secures a strong ride on the mountain and a smiling face at the bar. Adopted geometry and adjusted to the female anatomy. Inspired by sylvia, gro and ratchet.

stroma base :: spine2 highback :: alu heelcup :: 2c alu ratchets :: 3d ankle strap :: tcs toe strap :: adjustable ramps :: bolt guard :: basebuffer

KIDO

the kids are alright and SP releases their first smalls bindings. 3-point-strap technology for easy entry and more shredtime. make your dads happy!

new MP base :: fwd lean adjustment
2c alu ratchets :: 3-point strap :: 2c highback pad

VENTURE

SP's latest and greatest boot venture. a new asymmetrical cutting concept assures perfect fit and stability. added stronger fabric where you really need it. new PU protected shaft and heel support. custom lace protector and extra neoprene for ankle movement. equipped with the SP patented SPR performance lacing. state of the art. 2 zone adjustment. maintaining flex and stability.

Handwritten signature or scribble in the top left corner.

FONZO

seperate from the rest. make no compromise. the core of this boot is pure freestyle. custom 20 year SP logo pattern, new 3d 2-zone tongue, reggae flare, SPR performance lacing. lead.

G. FONZO

SPR performance lacing. comfortable medium flex, transferring power and protection. maximum style. girls only.

Left 8579

BASE

everyday comfort and solid style. new shaft cushions and 3D tongue construction. your medium flex allmountain boot. solid colors - black and creme.

2007_20 years SP united. swallow that. name more than 10 other snowboard companies. still in business, still run and financed by the same owner, still producing highend products, still in europe. owning their own factories, relying on the same key people, average company staff age of 31, the world's loudest team... we still have more fun and reasons to go to the office than most others. Think.

SP™

SP™ APPAREL

get these and spread the word. all made in europe. rise and shine, kills hangovers and makes you look SP.
